

**Remarks**

Claims 35-64 are pending in the application following entry of this Preliminary Amendment. Claims 1-34 have been canceled solely for the purpose of reducing the filing fee and conforming with U.S. patent claim practice. Claims 35, 57, and 60 are the only independent claims pending.

Each of claims 35-64 corresponds to claims 1-34 as filed in the corresponding international application. For that reason, the newly added claims include no new matter. Furthermore, for the same reason, the unity of invention recognized in the international application is unaffected by the conforming amendments made herein.

The Applicants respectfully contend that each of claims 35-64 is in condition for allowance. Early consideration and issuance of a Notice of Allowance are respectfully requested.

Respectfully submitted,

**Moti HAREL et al.**
